

Invitation

Nepal Dialogue Forum Conference 2017 **Overcoming Discrimination and Marginalisation in Nepal** **Strategic Approaches for Human Rights and Peacebuilding**

30 March 2017 (10.30am-6pm) / 31 March 2017 (9am-1.30pm) in Berlin/Germany
at Bread for the World – Protestant Development Service, Caroline-Michaelis-Str. 1, 10115 Berlin

Nepal Dialogue Forum is happy to invite you to our biennial conference on current issues in Nepal. This year, we will explore aspects of marginalisation and discrimination in Nepal, issues which influence every area of society, and every area of development, human rights and peacebuilding work in Nepal. The conference offers a space for national and international experts to discuss these crucial topics.

We will explore the implications of these factors on the enjoyment of a wide range of human rights and on peace issues, as well as discussing strategies and approaches towards solutions. We will hear and reflect on different perspectives of how social inclusion, human rights and peacebuilding can be strengthened and what different actors can contribute to these processes. We will investigate the dynamics of marginalisation and discrimination in Nepal, and thereby hope to contribute to the development of strategic approaches in the support of peace and human rights in Nepal.

A draft programme is enclosed for your information.

We look forward to your participation in Berlin on 30 and 31 March 2017 and would be grateful if you could confirm your participation (using the attached registration form) by 5 March 2017. If you have any further questions, please do not hesitate to contact us.

Yours sincerely,
